#19 Betrayal of Trust

Don't Dwell on the Mysteries!

Nephi must have been bad, also: *1st Nephi 2:16 And it came to pass that I, Nephi, being exceedingly young, nevertheless being large in stature, and also having great desires to know the **mysteries** of God, wherefore, I did cry unto the Lord:*

Dispelling the Mysteries!

*1st Nephi 10:19 For he that diligently seeketh shall find; and the **mysteries** of God shall be unfolded unto them, by the power of the Holy Ghost, as well in these times as in times of old, and as well in times of old as in times to come; wherefore the course of the Lord is one eternal round.*

*Mosiah 1:5 I say unto you, my sons, were it not for these things, which have been kept and preserved by the hand of God, that we might read and understand of his **mysteries**, and have his commandments always before our eyes, that even our fathers would have dwindled in unbelief, and we should have been like unto our brethren, the Lamanites, who know nothing concerning these things, or even do not believe them when they are taught them, because of the traditions of their fathers, which are not correct.*

Brought forward today:

I say unto you, Book of Mormon readers were it not for these things, which have been kept and preserved by the hand of God, that we might read and understand of his **mysteries**, and have his commandments always before our eyes, that even our fathers would have dwindled in unbelief, and we should have been like unto our brethren, those who will not live as the Holy Word of God teaches, who now doth concerning these things, or even do not believe them when they are taught them, because they, as forewarned, place their trust in men of flesh and are cursed as with the traditions of their fathers, which are not correct.

Possibly the Genealogy of the Book of Mormon might help dispel the mysteries today:

The Book of Mormon refers to itself as the Holy Word of God, not anywhere as the Book of Mormon as there already exists a Book of Mormon within its history. The Gentile men of flesh today have only been trusted with an abridged or condensed copy of the Holy Word of God merely as a test of trust. Unlike in times of old, in our day men of flesh have not been found to be sufficiently trustworthy to be entrusted with the real Holy Word of God.

Nevertheless, the abridged version of the Holy Word of God given the name of the Book of Mormon is sufficient, if the precepts of God therein contained are lived, to enable one to stand approved and sanctified before the Lord at judgment day.

The Unchangeable Holy Word of God:

The Holy Word of God was given to our first parents, Adam and Eve. It or copies of it is believed to have been carried by Noah, his family and friends in the flood to arrive at Mount Ararat. This is the second attempt to offer its precepts after all had been destroyed.

Thereafter the third attempt, it was the Jaredites who carried the Holy Word of God in their original Adamic language back to the Promised Land, Eden. At about 2000 B.C. They lived their thousand years, approximately having at one time been the most blessed people on the land, but ended up destroying themselves in civil war. Can it happen again on the Promised Land?

600 B.C. Again the fourth time the Lord attempts to establish a righteous people on the Promised Land with the Lehi family and friends. They experience their approximate one thousand years, having periods of time where everything was held in common, no rich or poor and no pride. At the end, again through civil war they destroy themselves down to approximately 237,000 people in the United States by 1900 according to the Indian Data Center.

The unchangeable Holy Word of God being carried down through time was hidden in such a way by Ether of the Jaredites that the Nephites could find them and include them with their own records and Brass Plates.

The Nephites, permitted to have the Brass Plates and combining the plates of Nephi produced of gold from in and around the land of Nephi (Intermountain West) are permitted to find the Jaredite records then near the Great lakes and written in Adamic.

These records are then combined and hid in the Hill Cumorah, while the abridge records of those records are hidden in a rock box near the top of the Hill Cumorah in the earth under a rock.

The bringing forth of the Holy Word of God, or Book of Mormon in our day constitutes the fifth attempt to establish a righteous people on the Promise Land of Eden.

All Records of Christ available when trustworthy men are available:

When men of sufficient trustworthiness become available in our day, all the records which Christ or God has had created will be made available.

Moroni is commanded: *Ether 4:5-8 Wherefore the Lord hath commanded me to write them; and I have written them. And he commanded me that I should seal them up; and he also hath commanded that I should seal up the interpretations thereof; wherefore I have sealed up the interpreters, according to the commandment of the Lord. 6 For the Lord said unto me: **They shall not go forth unto the Gentiles until the day that they shall repent of their iniquities, and become clean before the Lord.** 7 And in that day that they shall exercise faith in me, saith the Lord, even as the brother of Jared did, that they may become sanctified in me, then will I manifest unto them the things which the brother of Jared saw, **even to the unfolding unto them all my revelations, saith Jesus Christ, the Son of God, the Father of the heavens and the earth, and all things that in them are.** 8 And he that will contend against the word of the Lord, let him be accursed; and he that*

shall deny these things, let him be accursed; for unto them will I show no greater things, saith Jesus Christ; for I am he who speaketh. (Could this include going against that taught by God in the Holy Word of God?)

Test of those of the Gentiles who are entrusted with the abridged copy of the Holy Word of God (The Book of Mormon):

*3rd Nephi 26:8-11 And these things have I (Moroni) written, which are a lesser part of the things which he taught the people; and I have written them to the intent that they may be brought again unto this people, from the Gentiles (Through those entrusted with them in our day), according to the words which Jesus hath spoken. 9 And when they shall they (The Gentiles) received this (the abridge copy of the Holy Word of God), which is expedient that they should have first, **to try their faith**, and if it shall so be that they shall believe these things then shall **the greater things** be made manifest unto them. 10 And if it so be that they will not believe these things, then shall **the greater things** be withheld from them, **unto their condemnation** (Those entrusted with the Book of Mormon). 11 Behold, I was about to write them, all which were engraven upon the plates of Nephi, but the Lord forbade it, saying: I will try the faith of my people (those of which the abridged copy of the Holy Word of God has been entrusted).*

Questions: Who are those entrusted with the Holy Word of God, who established in the days of the Gentiles, the Holy Church of God, who then transfigure the Holy Word of God and pollute the Holy Church of God? Some one had to be entrusted the Holy Word of God, to have transfigured it? If the Holy Word of God were the Book of Mormon, what is Moroni seeing that would constitute “Transfiguring” of the Holy Word. The Holy Word of God, or Book of Mormon clearly states, if what is being referred to is the Book of Mormon, that while man may be given great gifts, they are never given the power of God, *Mosiah 8:13-18*. So if Joseph Smith received the translated word as he viewed into the top hat, and they were given to him by the power of God or Christ, does man of flesh have the power to alter or transfigure God’s words? Could this be what Moroni is referring too? If not, what else? Should we pick and choose what we want to believe and live from within the Book of Mormon? Or, if it really is the Holy Word of God, should we live by every word, even if they differ in what is taught today?

Moroni, being shown our day by Christ witnesses the coming forth of the abridged Holy Word of God. He is shown the restoration of the Holy Church of God. Then as a result of the weakness of flesh, of those entrusted, he is shown the transfiguration of the Holy Word of God and the subsequent pollution of the Holy Church of God.

Christ also in 3rd Nephi, last chapter and last verse also warns those of the Gentiles in our day as he accuses them of great abominations. He also warns us in our day of false prophets as he warns in *3rd Nephi 14:15 Beware of false prophets, who come to you in sheep’s clothing, but inwardly they are ravening wolves*. To be a prophet one must have a following who trust him. To be a false prophet, he must do enough good to warrant a following. Christ evidently sees false prophets who have a following, and they do not wear robes, but wool suits, it seems.

Question: Who is it that Christ is warning us about?

There is said that there is a massive cash of records included with the burials of Adam and Eve and those patriarch down to the time Noah left Eden, called the United States of America today. This may include those of the Jaredite and Nephite records, or there may be another deposit of records still in the real Hill Cumorah. These may be a part of those Jesus Christ has reference to once we have men of faith and trustworthiness sufficient to have these records available to them.

Darwinism, Atheism along with all religions of the earth will fall into place, into one of the only two churches, the Church of the Lamb of God, or the one with Satan at its head, as the knowledge of the truth then covers the earth like a flood with the availability of the truths of all these records as the work of the Father begins.
Enough...
