Observations

By K. Duane Erickson, *student*

BMS Foundation, Inc. *(All are invited to join the Independent Truth Seekers on a quest of discovery back through time to learn of our first parents using the Book of Mormon as the foundation for our research. Web site: <www.bmsf.net> (We do not want to offend anyone, please contact us to be removed from our email list. Otherwise you are welcome to pass this information on to any whom you think would like it or could help us in our search for truth or you could forward us their email address. Thank you.)* Hang in there non-Book of Mormon readers or believers, as we will give you exclusive, undeniable evidences of its truthfulness which may change your understanding of the purpose of life.

78 Something to Think About

QUESTION: Do you believe God created the world and everything there in?

Answer: If you're answer is YES, let's go on.

QUESTION: Can you name anything man, since his creation has ever created without using the things God had already created?

Answer: My answer here, as an inventor, is NO, as man has just manipulated that which God had created, into items, for the more part, to make money, lets go on.

QUESTION: Then to whom should we place our pure trust, in God our creator or in things of manipulating men?

Answer: According to the scriptures, we are cursed if we place our trust in Man. Placing anything or any person between God our creator, and ourselves is referred to as idolatry, and even worse, denying the Holy Ghost, as it is by the Holy Ghost that man gains the truth of all things and not from men of flesh. So the answer has to be GOD only!

QUESTION: Are you placing trust in men of flesh in anyway?

Answer: As for me, NO! Purely and only in God, as scriptural examples teach.

QUESTION: If Money is in fact Mammon, is it impossible to serve two Masters, i.e. God and Mammon or money at the same time.

Answer: If we are to believe the scriptures, then the answer has to be NO!

QUESTION: Is it true, that in the days of the Gentiles, a massive economic collapse occurs mainly effecting the Gentile nations of the world in which the ships at sea come to a stand still, as no one can buy their fine goods?

Answer: Yes! According to what John offers in Revelations, commanded by God that we read.

QUESTION: Will the economic system used today be used in the Millennium?

Answer: According to the scriptures, if the economic system is used to create rich and poor and classes among people, the answer has to be NO!

QUESTION; If the economic system we live under in the U.S.A. today will not be used in the Millennium, when Christ is to be our king, does this mean that it is not of God, but is Evil?

Answer: Because there need be opposition in all things, then it would appear that if the economic system we function under today will not be used by Christ, it must be opposite to what Christ will use, thus today's economic system must be Evil, YES!

QUESTION: Is it possible that we have been brought down subtly into a captivating economic system in our day which is supporting the down fall of God's way of life?

Answer: If the scriptures are true, then the answer has to be YES!

QUESTION: Is it possible that our lifestyle lived today is that which is referred to as BABYLON?

Answer: It appears that Babylon is a lifestyle in opposition to God's lifestyle, a lifestyle, in which is created rich and poor, providing for classes among men, and ultimately pride, if true then the answer has to be YES!

QUESTION: In recorded history, has God ever openly spoken to man in a city?

Answer: Never, it seems he has always spoken to man in the open and removed from the cities of the world, the answer has to be NO!

QUESTION: Why?

Answer: It would appear that appearing out in the open, like the burning bush, Mt. Sinai, the Mountains where Nephi was sent too, the Mountains where the brother of Jared was sent too, the Grove where Joseph went, must be a more righteous and sacred setting than cities and even churches, temples, synagogues, cathedrals, etc. throughout the world since time began.

QUESTION: If in the open, away from cities seems to be a more righteous place, then are our cities under our present economic system then evil?

Answer: It appears that the cities of the Gentile nations of the world are breeding grounds for sin and evil, trusting in the precepts of man rather than God, thus the answer would have to be YES.

QUESTION: This being the case is it possible for any organization, even churches to participate within an evil economic system operating within Babylon and still be of God?

Answer: If you believe the scriptures, it is impossible to serve two masters at the same time, God and Mammon, thus it is impossible for any organization that does so, to be of God, no matter what form of Godliness they appear to offer, as they must be offering the precepts of man mingled with those of God, the answer then is NO!

QUESTION: Does the organizations of which you choose to align yourselves with participate in serving God and Mammon at the same time?

Answer: If you're answer is Yes! Then it is very likely that you are among those who Christ is speaking to as he warns of in 3 Nephi 30:2.

Isn't this fun?

The Foundation for the answers for the above questions comes from God, not from the precepts of man, but as offered by way of the untransfigured Book of Mormon. Untransfigured meaning unchanged words and precepts originally given in the English translated words as given by God and read by Joseph to his various scribes. The actual source for the Book of Mormon.
